*“Oh, Dear!
Disenchant
me back now!”*

*“Have a good look at me.
Never should you go to
any beauty salon and...*

...cosmetologists.”

*“Well, I am flying a bit slow, but
my landings are always soft!”*

“So, where’s the disco here?”

“ – Aah, I’ve bent my beak!
– And I’ve lost a feather!...”

“I’ll never leave from here!”

*“Yes, I might peep sometimes,
but I will never eavesdrop!”*

“As I live, so I eat...”

*...although, there're some
bright moments too."*

“Oh! I’m sorry, but it’s a forgery...”

*“How many girlfriends do
you say you have? One?
Huh! I’ve got nine!”*

“Dear penguins, the canvassing meeting is over. Please, now proceed to the ballot boxes and vote for the President of Antarctica!”

“I am flying beautifully, am I?”

*“Well, I’m sorry.
I was a donkey yesterday...”*

“Oh! You should not have stopped under me, honey.”

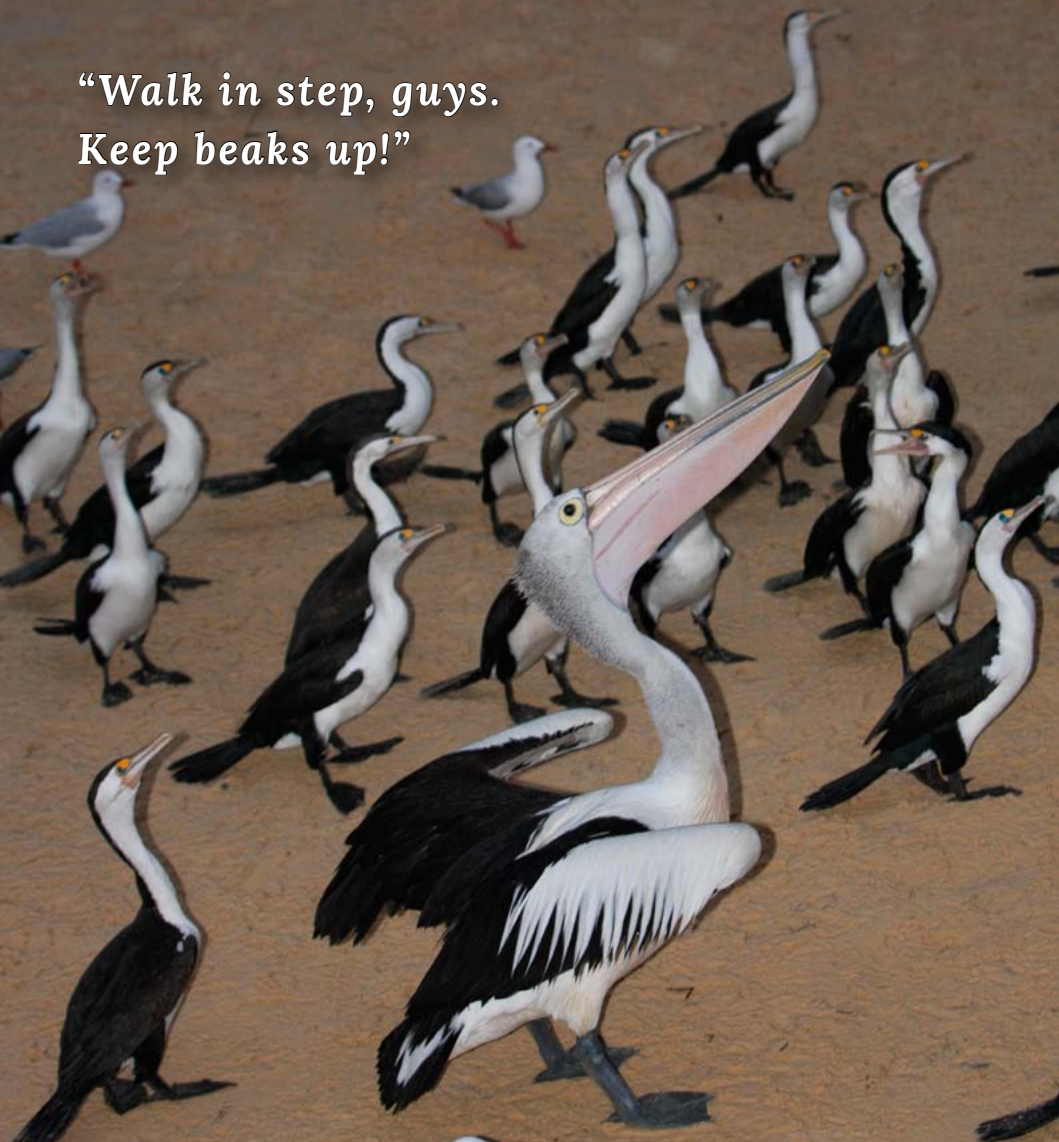

*“Thanks mate! You are the first,
who hasn’t shuddered from me.”*

*“You there, with the camera!
Go home, just in case...”*

*“Walk in step, guys.
Keep beaks up!”*

*“Well, friends,
there’re more newcomers,
than ours at the beach here.”*

*“Who”re you feeding?
That ain’t his turn! O, my God!
The blonde can’t count to four...”*

*“Don’t be scared, fellow!
I’ll tell you a kind fairy tale.”*

“Excuse me, my shell isn't a very sensitive body part. Will you stroke my fin, eh?”

*“It’s you, who is ugly!
I’m charismatic.”*

*"I won't climb down until
your mother leaves!"*

*“So many clever books
and not a word about
how I can get into the fridge.”*

“Eat it, human, don’t be shy! I’ve got plenty of this.”

*“If only I could glance
at kangaroos...”*

ends. Kind
